MQA International Ltd. is an independent Certification Body which meet all the mandatory requirements of respective Accreditation Board for the certification of Management Systems as per the requirements of ISO 17021. In the issuance of this certificate, MQA International Ltd. assumes no liability to any party other than the client as per the client certification agreement with the MQA. The validity of this certificate is subject to the client organization maintaining their system in accordance with the MQA's requirements i.e. regular surveillance audits. This certificate is the property of MQA International Ltd. Given the nature and inherent limitations of sample-based certification audits, this certificate is not meant to express any form of guarantee on the performance of the organization being certified.
